MRS JESSIE PADDOCK CELEBRATES 100th YEAR

MRS JESSIE PADDOCK

(B-J Rush Photo)

Mrs. Irving L. Paddock will mark the one-hundredth anniversary of her birth, this week on Thursday, August 24.

Jessie, as she is known to her many relatives and friends was born the youngest of nine children in Kateyville, a small farming community in up state New York. While on holiday and visiting friends in Antioch she was introduced to Irving Paddock. After a long distance courtship, the two were married in New York on January 9, 1892.

They lived on the Paddock Farms near Bluff Lake until her husband's death in 1945.

In the ensuing years, Mrs. Paddock has lived with her daughter, Mrs. Mary Forster, on Orchard Street in Antioch.

Mrs. Paddock said she doesn't "get out to visit" as much as she formerly had, and so spends much of her time ignoring the television and reading. She is especially interested in the amount of activity at the Orchard Shopping Plaza and wonders "Where all the people come from."

When asked last year, how it felt to be 99, Mrs. Paddock was

quick to answer: "I can't really say, I've never been there before." Although she had no witty retorts this year, she made it clear that the past year has done little to change her lively outlook.

Longevity is really nothing out of the ordinary for her family. Many of her brothers and sisters lived well into their eighties and nineties.

Mrs. Paddock said she looks forward to and enjoys visits from her 21 great grandchildren (11 of whom are children of the C. J. Forsters and E. C. Warners of Antioch). Her other children include Sister Margaret Paddock, of Saint Joseph's Hospital in Chicago, Charles Paddock, of Antioch and a son, Lewis, deceased.

Her birthday will be celebrated with an open house on Sunday, August 27, at her daughter's home at 505 Orchard Street, from 2 to 5 p.m. Mrs. Forster has extended a general invitation to all Mrs. Paddock's many friends to drop by and visit.

We of the Antioch News extend our very warmest birthday wishes to this great little lady!!

AUTO ACCIDENT KILLS ONE - INJURES TWO

One person was killed and two injured as a result of a three car collision on Friday, August 18 near the intersection of Illinois Rte 83 and Wisconsin County "C".

Killed was David Michael Wilson, 18, of 20 Highland Avenue, the driver of one of the cars. The injured were Susan Grippando, 19, of Deep Lake Road, and Janice Doolittle, 19, of Rte 2, a passenger in the Grippando car. All are recent graduates of Antioch Community High School.

Driver of the third car, Nancy M. Keisler, 22, of Salem was

unhurt.

According to Kenosha County Sheriff's authorities, the accident occurred at 9:46 p.m. when Wilson pulled on Rte 83 into the path of the Grippando car after leaving a fruit stand. The impact forced the Grippando car into the side of the car driven by Miss Keisler.

Both Miss Doolittle and Miss Grippando were taken to Kenosha Memorial Hospital and are listed in good condition. Miss Doolittle suffered a broken leg and ankle along with lacerations and bruises and a possible concussion.

I can't believe they put me through this WHOLE thing!

TRUSTEES VOTE THEMSELVES RAISES

On Monday, August 21, Antioch Village Board members passed an ordinance increasing their salaries.

Board members are now allowed a payment of \$15 per committee meeting attended with a ceiling of \$30 per month. Prior to this, trustees received only a compensation of \$600 a year, or \$25 for each bi-monthly meeting attended.

The new wrinkle could add a possible \$360 per year to their salary.

Although the measure was passed with uncanny swiftness, the raises are thought, in general to be only fair compensation for their time and services.

FIRST NATIONAL BANK LISTS OPENING DATE

Officials at the First National Bank of Antioch have announced tentative plans to occupy their newly constructed building on Lake Street.

September 20 has been listed as the probable day for moving with a gala grand opening celebration planned for the week of October 15.

The new building will be three times the size of their former location and will offer a variety of new facilities and services.

Exact times, dates and special activities for the grand opening celebration are now in the planning stages and will appear later in news articles and advertisements.

Pictured above is a portion of street widening on Lake Street. The project will widen the road by six feet and replace worn out curbs and gutters at a cost of \$24,250.

In all, 1048 feet or .198 miles will be replaced. The work, preparatory to retail development will be paid off through Motor Fuel Tax funds. (Staff Photo)

WATER RATE AMENDED

Apartment dwellers will no longer get a bargain on water rates following a ruling of the village board of trustees.

The board voted to amend the water and sewer rate ordinance and to divide the water volume

ILLEGAL SIGNS GAIN APPROVAL

In a seldom used ruling, Antioch Mayor Ray Toft cast the decisive tie-breaking vote allowing the erection of two non-conforming signs above a downtown store.

The signs will be erected above the office of Roy Witek, 425 Lake Street even though they conflict with the village ordinances prohibiting signs which project over the roofline. Toft justified the erection of the signs because there were already two signs on the building placed before the ordinance was passed.

Toft's vote was made necessary by a tie vote of the six trustees. Trustees voting against the measure were George Bartlett, Arnold Weber and Marge Nelson. In favor were Robert Wilton, Irv Walsh and Vern Barnstable

BOARD APPROVES MOSQUITO SPRAYING

Antioch Village Trustees authorized two mosquito sprayings for the Village at their August 21, bi-monthly meeting.

The sprayings will be performed by Clark Outdoor Spray Co. of LaGrange at a cost of \$240 per spraying.

Trustees noted that mosquitos have appeared in large numbers because of the unusually wet summer and said that the annoyance factor was increasing rapidly.

The insecticide to be used is

approved by the Illinois Environmental Protection Agency and will not harm birds, pets or foliage. Because of the late date for the action only adult mosquitos will be dealt with. If the service is satisfactory, board members have the option of retaining the firm next year for a full coverage plan.

Sprayings will cover every street in the village or approximately 24 miles of roadway.

PLANNERS:

MAN YOUR SKULL CAPS

The Chicago Sun-Times recently published statistics which should prove of moderate interest to village residents and make city fathers do a double-take.

The statistics were part of a survey attempting to determine the status ranking of 200 Chicagoland suburbs. While we and the public in general are normally hesitant to accept volumes of percentages as fact, there are some highly relevant findings.

Being considered a Chicagoland suburb at all should raise a few eyebrows, but because of Antioch's unique potential for growth and development the survey offers a wealth of thought provoking information.

In the survey Antioch ranked near the middle at 139th. However, rather than taking on particular pride or offense at the ranking there are some half hidden points that rate scrutiny.

Four other suburbs listed in the survey (Arlington Heights, Mount Prospect, Des Plaines and Schaumburg) recently experienced growth similar to that which is predicted for Antioch. Their rankings (29th, 35th, 58th and 72nd respectively) would seem to indicate they have planned reasonably enough to make their village attractive to industry and housing.

These villages sprouted, seemingly overnight from much the same starting point as Antioch. It would then seem germane for Antioch village planners to research the policies these towns implemented to secure their lofty rankings.

In so doing, the village could bypass the mistakes and pitfalls, succeeding where even these villages failed thus ensuring us a prosperous and aesthetically pleasing village.

McCLORY SUPPORTS LIBERAL CONVENTION RULES

Congressman Robert McClory has joined a group of Republican Members of the Congress in supporting liberalizing of Convention Rules for selection of delegates at future Republican conventions.

The McClory recommendations backed also by Illinois Congressman Tom Railsback of Rock Island, and U.S. Senator Bill Brock of Tennessee, is aimed at broader Republican representation in the future Republican conventions.

Among the group's recommendations are the following: (a) selection of delegates on a district (instead of a state-wide) basis (b) greater participation by Republican Women as delegates (c) encouragement of young citizens to become convention delegates (d) outlawing of proxy voting (e) elimination of automatic delegate selection and (f) selection of delegates to be conducted without discrimination on the basis of race, sex, religion, age, color or national origin.

These recommendations have been referred to the Rules Committee of the convention for adoption. However, they will be applicable primarily to the Republican National Convention to be held in 1976.

Supporting his recommendations, Congressman McClory declared "Republican women will be more than one-half of the nation's electorate - and should have substantial increased representation at our Republican National Convention. Representation by young and old alike is essential. But encouragement of young citizens to serve as delegates is vital if the party is to reflect a true cross-section of the people's views. The Republican Party must fulfill its slogan as the "Party of the Open Door."

The McClory recommendations have been forwarded to the Republican National Convention in Miami Beach where the Rules Committee will consider them prior to the opening of the convention on Monday, August 21.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

Sir:

Who is responsible for the maintenance of navigational aids on the Chain-O-Lakes? A citizens committee should investigate their negligence!

My wife and I were two of the hundreds caught in the Saturday night fog on the lakes. We left a restaurant in McHenry on the Fox River about 10:30 p.m. and proceeded upstream towards Bluff Lake. The visibility with a search light was only about 15 feet. We know the waters and thought we could make it home by following shore lines and channel markers.

After three hours we finally gave up and berthed at an open dock on Pistakee Lake. During that time the only shallow water bouys, channel bouys, channel entrance bouys, and diamond target channel entrance markers (these are supposed to have flashing yellow lights) seen were some un-official posts painted red and white in the northwest corner of Pistakee Lake. In this time we picked up a young boy unable to find his way and pulled a cruiser load of people off the rocks south of the island at the entrance to the Fox River. We saw many boats similarly lost.

At 6:30 a.m. the visibility where we were improved so we started north again. The striking thing we noted was the half maintained bouy markers and that not one of the eleven flashing lights marking entrance targets was functioning.

Our only costs in this adventure were some mosquito bites, some lost sleep, and a propeller dented up on the rocks at the entrance to the Fox River and on an unmarked sand bar 1/4 mile south of it. There must have been others more severely injured. Maybe we'd have had the same results with properly maintained markings but we'll not know due to the negligence of those responsible.

Dear Sir:

Under the new Constitution, we, as Members of the Lake County Board, have the opportunity to plan for the future - to restructure government to make it more serviceable, effective and responsive.

Ronald R. Coles, Chairman of the County Board, appointed a Priorities Committee, which consists of two members from each District. The primary purpose of this Committee, along with the Members of the County Board, is to establish short-term and long-term objectives in order to achieve these goals.

It is the feeling of the Chairman of the Board and the Members that other branches of government, organizations and the general public should have the opportunity and responsibility of participating in establishing the priorities of the County, as well as methods of implementation. Further, this will provide an opportunity to share our ideas with other governmental units, including local, township, state and federal.

The Priorities Committee feels the areas of study are unlimited and would like to utilize your ideas in relationship to these problems. Will you please submit your ideas and suggestions to us so that we may work toward the ultimate goal - making Lake County a better place to live.

Sincerely,

Matthew Miholic, Chairman
Priorities Committee
Lake County Board

Size, shape and dimension are all relative qualities depending on your perspective. Many times people will self consciously attempt to escape the stare of those who through no fault of their own cannot capture the beautiful make-believe world that lies in every stand of timber or patch of faded watercolor. Invisible to some, compulsively beckoning to another; abstractions taunt the rational in all of us to give way to a moments distraction.

An average sized tree can become the stairway to the giant's

home for a small child. Clouds take on wholly different forms, first forming and then mercifully scattering thoughtful delights.

Lighting can make a fairy castle of a bit of trampled grass while winds make a surging sea from but a wisp of stunted grain.

NELSON DISPUTE RAGES AT BOARD MEETING

Village trustee Marge Nelson came under heavy fire from village officials at the conclusion of the city's August 21 meeting over an alleged improper hookup into the village sewer system.

The conflict arose when Mrs. Nelson's husband Albert questioned the board on their sluggishness in settling on a plan to allow dog kennels on their Dromm Court property. After a short discussion, the patience of the board members snapped and a verbal battle ensued.

Apparently, the Nelsons were permitted to tap on to the village sewer line two years ago while it was under construction and have yet to pay for either the assessment or a long overdue bill. They were permitted the right because village officials thought it senseless to have the work dug up again to allow their tap on.

Mayor Ray Toft opened a shouting broadside which caught visitors to the meeting unaware by stating that they should pay for "what everyone else already has."

After a heated exchange, village attorney, Edward Jacobs, noted that Mrs. Nelson couldn't serve on the board if delinquent to the village on

bills. "I've overlooked this until now," he said "but not any longer." He later charged that the Nelsons had taken advantage of trust and while they were technically right, they had a moral obligation to pay.

The Nelsons argued that their lawyer was handling the matter and the board should contact him.

The entire matter was later placed into committee for study and the Nelsons beat a hasty retreat to their car. From all appearances, however this is not the last the Nelsons will hear on the subject.

INCREASED HIGH SCHOOL ENROLLMENT

Antioch High School recently released various pertinent data on education and school activities prior to beginning their 1972-73 calendar year.

According to statistics, the school will enroll 53 more students than last year's total of 1377, while at the same time working with ten fewer personnel. The district will carry eight less teachers, one less counselor and one less administrator.

A total of 36 students were enrolled in the summer class program. This group passed 370 of 419 possible courses (30 drops, 5 incompletes, 14 failures). The figure also includes 144 driver education students.

In addition, bus routes have been set up to pick up students who begin school at 8:15 a.m. and 9:15 a.m. and to return them home following dismissal, wither at 2:15 p.m. or 3:15 p.m. The 4:00 p.m. activities bus will operate Monday through Friday beginning September 5.

Bus loading and unloading will continue to be performed in the south parking area with the following exceptions. Four busses will unload in the parking lot north of the new gymnasium; four will unload on the east side of the gym, and four will unload at the south circle. All the above are 9:15 a.m. busses.

WATER RATE AMENDED CONTINUED

among dwelling units.

Meter readings and prices will now be divided among each of the residents. Prior to this the owner was given a bill for volume much like industrial use.

Where before an 80,000 gallon bill would cost the owner \$59, the new plan will split the volume among 4 dwellers (20,000 gals per unit) and bring the total bill to \$79. Village officials said thousands of dollars of additional revenue would be realized by the city.

OLISAR ACCEPTS NEW POSITION

George Olisar, a music instructor and band director for 19 years at the Antioch Grade School has taken a post with another school district.

According to Olisar, he has signed a contract with the Mundelein Grade School district in the same capacity as his former position. He will teach at the Carl Sandburg Junior High School and three lower grade schools.

Olisar said he took the new job because he didn't have one after the band program was cut

in Antioch. However, it was learned that the district did offer him a post in another field, but that he had declined to apply for a provisional certificate.

Olisar's biggest complaint, he said, was in the handling of the last school referendum. He charged that the school board had used the band program as a lever to pass the issue. "I can't believe grown men could do this to a program that doesn't cost them a penny to run."

However, according to fi-

gures previously publicized, the net operating cost to local taxpayers for the program was \$15,987.18.

District No. 117 Superintendent Henry Meyer said he would "rather not make any comment" after first authenticating the figure.

Regardless of the stir caused by Olisar's defection, board members have pledged to reinstate all cut programs (including band) if the referendum succeeds.

Police Bag Shoplifters

On Wednesday, August 16, two apparent shoplifters were "Caught fishing" by village police officers.

The two, Mrs. Anna Milazzo, 62 of 55 Lenore St., Antioch and her daughter-in-law, Mrs. Frances J. Milazzo, also of the same address, were stopped after attempting to leave the Ace Hardware store without

paying for merchandise valued at \$6.87.

Taken in the reported theft were two fishing lures worth \$3.13 and two flea tags costing \$3.74.

After posting bond the two women were released pending trial. They will appear at 1:30 p.m. on September 27 at Fox Lake.

Contracts Awarded By High School Board

On Wednesday, August 16, the District 117 Board let contracts for equipment totaling over \$6,000.

High school board members let the contract for gasoline to Olson Oil Company of Waukegan.

\$1447 in science equipment and supplies was split between two companies. In addition, two companies were contracted to provide industrial arts supplies worth \$300.

Audio visual supplies totaling \$1265 will be delivered by United Visual Company. Cerrolo Company was

awarded a contract to provide \$3382 in miscellaneous classroom furniture.

Board members also approved United Insurance Company of America as carrier of the student accident policy and Horace Mann Company as carrier of the employee group medical policy. Washington National Insurance Company was contracted to provide employee group life insurance coverage.

Repair work on the south chimney was also authorized under Life Safety Code provisions.

District 117 board members added several new faces to their staff during the regularly scheduled August 16 meeting.

The board extended new contracts to teachers Miss Roxelle Pickett, Mrs. Barbara Schofield and three non-certified staff members.

ROXELLE PICKETT

Miss Pickett is a graduate of Southern Illinois University and will replace Mrs. Elaine George as a speech instructor.

BARBARA SCHOFIELD

Mrs. Schofield, a graduate of the University of Missouri will assume the position formerly held by Miss Mary Lehman in the Girl's Physical Education Department. She will also act as Dean of Girls.

In addition, the board hired Mrs. Gay Sanderlin of Mundelein as the new cafeteria manager. Mrs. Sanderlin previously served as a consultant to a food company and worked

in a dorm at the University of Kentucky.

Also hired were Don Smith, a custodian and Frank Schultz, a part-time bus driver.

LANGUAGE COURSES AT CLC

The College of Lake County is offering three courses this fall which may be of particular interest to those contemplating a trip to Europe or Latin America.

Three non-credit evening courses will be offered in conversational French, German and Spanish. These courses will emphasize basic patterns of speech and are designed for those with no previous experience in foreign language. Insight into the culture, politics and historical background of these countries will also be discussed.

Each course will run for sixteen weeks. Each student taking a course should acquire sufficient knowledge and skills to add greatly to the enjoyment of foreign travel.

First semester classes at CLC begin August 28.

Have you gotten over that "Midnight Madness" yet??

Last Saturday night the Hillandale residents held another party.....Hear "Ukulele Pete" was really up to snuff with his many old favorite songs. Word has it this group ate dozens and dozens of ears of roasted corn.

Saturday was also a special day for Linda Sheldon as she became the bride of Terry Triplett. Many good wishes to this lovely couple.

The water fights didn't prove too good for the Antioch teams, but lots of fun was had by all. Wisconsin teams took all four trophy's home with them.

If you see a big smile on Flo Heizelman's face, it's because she brought her new baby boy home from the hospital. He was only three pounds when born.

Lou Crawford just returned from a vacation in Hayward Wisconsin bursting his buttons with a 31" Muskies. That's some fish!

Get well wishes to Carol Mapletorpe, Janice Doolittle and Susan Grippando and Bob Webb.

Birthday wishes go to Dutch and Scotty Zeien on the 23rd, to Tom Gutowski on the 25th, Phyllis Good on the 26th and Ellen seenson on the 29th. Happy 1st birthday to Roy John Ziemann, Jr. And since we will not be publishing on the 30th - we have some early September

birthday wishes to Ernest Glenn, Gigi Spittle and L.V. Sittler.

George and Jane Kish celebrated their 25th Wedding Anniversary on the 12th of August in Chicago. Some 50 friends, relatives and neighbors made the evening a joyous occasion.

Just about all the Anniversary wishes go to the Hillandale Drive neighborhood. Shirley & Ed Crowell on the 24th; Bunny and John Mihovilovich on the 25th and Rich and Rose Endries on the 31st. Also loving wishes go to Helen and George Murrie who celebrate their anniversary on the 26th of August. Special wishes to Wayne and Pat Polsgrove who will celebrate 23 years of wedded bliss on the 27th.

What an outlook on life Barb Kufalk has! She is the smiling face at the Antioch Drugs. The Kufalk family has been busy with special occasions recently - what with the happy August 5th marriage of Kathy, daughter of Mr. and Mrs. Elmer Kufalk and then Roy's birthday on the 16th and Clarence's on the 17th. Barb decided it was a good excuse for the family to get together, so on August 12th the brothers and sister and their families all gather together for a super celebration dinner. Clarence got the best gift of all - a bunch of beets!

Helen Murrie of State Line Road, Antioch, just returned home from a weeks schooling in

Macomb Illinois. Attending the State School Food Service Certification course at Western Illinois University. She was brought up to date on menu planning, new receipes with uses of government supplies and new rulings by the state.

Helen is the head cook at Hawthorn Grade School in Mundelein. Attending with her was Ellen Prince of Mundelein who is in her department. There were some 80 women attending Level 1 of three level courses.

Remember NO PAPER will be published on August 30th but we will be back "in the swing of things" for the September 7 issue! Have a nice week!

Have a safe and happy Labor Day

See ya in two weeks

Seeing isn't believing in Antioch's first Pet Parade. Young and old enjoyed the event sponsored by the Antioch Welcome Wagon Newcomers Club. (Staff Photo)

PET PARADE WINNERS

The Pet Parade sponsored by the Antioch Welcome Wagon Newcomers' Club was a great success. The children who entered did themselves and the community proud. A variety of pets and imaginative costumes served to delight all who turned out to watch our kids. Any event is a success when everyone participates and lends a hand.

Prizes were awarded before the parade got under way. The choice was a difficult task, and we are most grateful to the judges, St. Stephen Lutheran Church, and Mr. Alan Knutsen, member of the Antioch Evangelical Free Church.

Congratulations to the Winners:

1st Prize: Donna Hansen of Trevor, Wis. - \$25.00 Savings Bond donated by the State Bank of Antioch.

2nd Prize: Laura Carlson of Antioch - \$10 Gift Account donated by the First National Bank of Antioch.

3rd Prize: Kathy Sulauskas of Lake Villa - \$10.00 Gift Account donated by the Savings & Loan of Antioch.

4th Prize: Bob Hunley of Antioch - \$10.00 gift certificate donated by Fin, Feather and Fur Pet Shop of Antioch.

We wish to take this opportunity to acknowledge and thank all the generous people who contributed toward the success of the parade, also the business stores, who worked so well with us to promote this event.

Special applause goes to our President, Lois Matthews, who conceived the idea, and carried it through with lots and lots of hard work.

This was the Newcomers first attempt at a Pet Parade, which we hope will be an annual event. We wish to thank all for being so patient, we promise to be more organized next year.

Three cheers for all the kids, they were all winners!!!!

THE USE OF PHOTOGRAPHS IN ART. THE ARTIST'S MORGUE. . . . Can a painting be called "original" if it has been copied from a photograph? Are paintings and drawings taken from photographs allowed to be entered in exhibits? When is it legitimate to use photographs? Many exhibit rules clearly state that the works entered must be "original", not copied from commercial or professional photos, such as calendar pictures, or magazine pictures as in ARIZONA HIGHWAYS and NATIONAL GEOGRAPHIC. No one will dispute the use of photos if the pictures are taken by the artist or for the artists specific use, such as a photo of a person too busy to pose personally for a painted portrait. The view or pose, the settings and lighting, are the decision of the artist and therefore makes it his work. In our rapid pace of living we are certainly in the right to use any modern means of recording what we see. Leonardo De Vinci was born centuries too soon. I bet he would have used the camera to supplement his sketches.

On all your sketching trips be sure to take a camera, but be careful that you do not rely on exact interpretation of your snapshots. Your sketches are more expressive, more apt to be better composed than the photos. Start your finished drawings or paintings from your sketches, arranging the compositions to suit your feelings for design, then use the photos for details where you need them. Now no one will dispute the fact that you have produced an "original". A colored photo at best is never true color, but it does record what the "local" or basic color of things were at the scenes which you have sketched in pencil. So use your camera,

take several shots of the same subject and at different angles, also closeups of details. Then back in your studio, you can study the scene well and arrive at what you want for your own composition.

Most professional and commercial artists keep a picture "morgue" in their studios, that is a picture file of all sorts of places and things they might need, for no one has such a memory as to recall what every thing looks like. It is therefore legitimate to use photos of any kind as reference in composing art works. Start a "morgue" of your own on good cloud formations, trees, fences, odd buildings or whatever you think you will need.

But never copy calendar or magazine pictures in their entirety unless:

1. In art classes which have to be held indoors, good colored pictures become invaluable in learning drawing and painting. However, the instructors should supplement the photos with their own knowledge of what things look like and fill in information where the photos are lacking.
2. There are times when whole or parts of commercial photos are used, as is, or changed to suit the fancy of the artist, such as in collage or montage. This is always acceptable in competitive exhibits, as are paintings which are direct copies of famous people and used as part of the composition. I'm referring to paintings like Andy Warhol's "Marilyn Monroe". Here he was repeating her image to make a statement on commercialism: "A little of Monroe is great, so I'll give you a lot of Monroe".

Happy Photography.

FIRST SEQUOIT COACH RECALLS FIRST GRID TEAM MATES

While on vacation this summer, Mr. and Mrs. Myrus Nelson of Victoria Street, Antioch stopped in to see Mr. and Mrs. Lynn R. Watson of Au Train, Michigan and brought with them the copy of the Antioch News with the picture of the football team in it.

Mr. Watson was the first football coach of the Antioch Township High School. He lives in Au Train Michigan during the summer and in the winter months resides in St. Petersburg Florida where he is affiliated with the Cardinals baseball team training program.

Lynn was able to identify the following: 1st row (l to r) 1. don't know; 2. Wes Wertz; 3. Gordon Ames; 4. Cliff Hook; 5. Al Herman; 6. Vic Bown; 7. don't know; 8. Buz Kaulman; 9. don't know. Back row (l to r) 1. don't know; 2. Les Nelson; 3. don't know; 4. George Keulman; 5. Al Tiffney; 6. don't know.

Other boys who played for him in 1922 and 1923 were: Irving Elms; Clarence Nader, Ed Rentner, Howard Spafford, Dwight Drom, Elmer Kufalk, Emil Lubkeman. Mr. Watson hopes someone in Antioch can come up with all of the names and would be glad to hear from

anyone who could. Write Mr. Watson, P.O. Box 28, Au Train, Michigan, 49806.

AND

Dear Mr. Rush:

If anyone is interested in the names of the men in the picture printed May 24, 1972, here they are reading from left to right, bottom row: Ed Wells, Almond Webb, James Kaye, John Drury, James Britton and Robert McDougal. Second row: Joseph Savage, Mr. Crtis, Mr. Carman, Joseph Rinear, Harm Bryant, Walter Crowley, "Egg" Hoepradt, Cyrus Proctor, John Spafford (seated in rear) and Jerome Burnett; top row: Abe Crowley, Joe Miller, Fred Ackerman, Joseph Hubert, Frank VanPatten, Nick Schroeder and M. Molitor. This picture was taken in 1906.

The picture of the Antioch Palace was taken January 12, 1972. It burned down in 1932.

I happen to be a collector of old pictures and articles pertaining to Antioch and the surrounding areas. Hope there are more pictures of this nature around the neighborhood, if so, please let Mr. Rush print them. When you ladies are cleaning house and come across some old

pictures, don't throw them away, have them reproduced so us old timers can enjoy them. I wish that there were more school pictures and class school pictures of both Antioch Grade and High School. Maybe some of you people older than I will laugh and say, she isn't that old, but by golly I can remember when Main Street was a dirt street with wooden sidewalks and hitching posts. So I have seen Antioch grow up from an infant to today, paved streets, parking meters, shopping plazas, stop lights and rejuvenated store fronts to camouflage old buildings of yester year. Hope to live long enough to see even a better and much more improved Antioch than today.

Rose Show At Belvidere Mall

The Northeastern Illinois Rose Society, an affiliate of the American Rose Society, proudly announces that its sixth Annual Rose Show will be held on Sunday, September 3, 1972, at the Belvidere Mall on Route 120 in Waukegan.

The Show is both a public service to the community, and presents an opportunity for amateur rose growers to display the results of their efforts in this most gratifying hobby.

Rose Show Chairman, Tad Polcyn (Be 7-5525) and Co-Chairman, Paul McNamee (623-1896), who is also President of the Northeastern Illinois Rose Society, invite all club members of N.I.R.S. and other

clubs; all amateur rose gardeners to display their roses and engage in friendly competition for the 22 Silver Trophies and hundreds of ribbons.

The Northeastern Illinois Rose Society is a non-profit organization and no fee is required to enter. Entries will be accepted from 7:30 a.m. to 10:30 a.m. the Sunday of the Show. Judging which starts at 10:45 a.m. will be in accordance to the rules and regulations of the American Rose Society. Awards will be made at 6:30 p.m.

All residents of the North-shore area and all of Lake County are cordially welcomed; the visiting hours will be 1:30 p.m. to 6:30 p.m.

WIKOFF-SCOTT ENGAGEMENT

Planning a December 30th wedding in Urbana is Miss Joan Lucille Wikoff and her fiancé, Timothy Ralph Scott.

Mr. and Mrs. Charles W. Wikoff of Urbana announce their daughter's betrothal and approaching marriage to Mr. Scott, son of Mr. and Mrs. Ralph Scott, Urbana.

Miss Wikoff is the granddaughter of Mrs. Joseph Rhymer and the late Mr. Rhymer. Mrs. C. W. Wikoff is the former Lucille Rhymer of Antioch.

The bride-elect graduated from Urbana High School in 1968 and from Eastern Ill. University, Charleston, in November 1971 with a degree in elementary education. While at EIU, she was a member of Sigma Kappa social sorority and Sigma Alpha Iota professional honorary music fraternity. Miss Wikoff is teaching remedial reading in East St. Louis.

Mr. Scott graduated in 1966 from Urbana High School, and graduated with honors from the University of Illinois with a B. S. degree in premedical biology. He was a member of Phi Delta Epsilon national pre-medical honorary fraternity at UI. The prospective bridegroom is in his third year at St. Louis University Medical School, St. Louis, Mo., and is a member of Phi Beta Pi medical fraternity.

PICK HOMECOMING THEME - WIN \$50

The State Bank of Antioch, in conjunction with the Antioch Community High School and A.C.H. S. Student Council, is again sponsoring a contest to choose the theme for the 1972 Homecoming.

The contest is open to all persons living within the high school (District No. 117) boundaries and should be original, easily understood and capable of being illustrated.

State Bank Vice-President, Preston Reckers said the bank will award a \$50 Series "E" Savings Bond to the person judged to have presented the best entry. Decision of the judges is final and entries become the property of the school's Student Council.

The Contest closes on August 31, 1972.

HOLD OPEN HOUSE IN HONOR OF JAMES WHITE

JAMES J. WHITE

The family of James J. White, the son of Mrs. Leta A. White of Russell, Illinois and the late Hubert C. White, extends a cordial invitation to friends, neighbors and relatives to attend an open house in his honor from 2 until 6 o'clock p.m. on Sunday, August 27th at 615 Highland Avenue, Antioch, Illinois.

Dr. James J. White has recently completed his professional education for the degree of Doctor of Dental Surgery at Northwestern University Den-

tal School, Chicago Medical Center.

Dr. White began his education at Russell spending his grammar school days in one of Illinois' last typically bucolic one-room red brick schools the entire direction of which was under the now late Mrs. Katherine C. Lux of Wadsworth. From here, James attended Zion-Benton Township high school, Zion, Illinois from which he graduated with honors in 1965.

The University of Illinois, Urbana, Illinois was his choice for undergraduate study. At this time, Dr. White majored in chemistry and split a minor in mathematics and psychology within the school of Liberal Arts and Sciences. During most of his study at the university, he attained Dean's list recognition.

At this time, Dr. White holds a certificate for successful achievement on the National Board of Dental Exams. He has taken and passed the Northeast Regional Dental Board Exam which entitles him to licensure in any of eleven northeastern states as well as having taken the Wisconsin State Dental Board Exam.

GARDEN CLUB POT LUCK PICNIC MONDAY

The Antioch Garden Club's Annual Pot Luck Picnic is to be held at the home of Mrs. Mat Faussner on Monday, August 28, 1972. Co-hostess is Mrs. Elmer Christophersen 395-1530.

Executive Director to the Center. Mack will replace Ken Fiske, who resigned to become the Director of the McHenry County Conservation district.

The resource Service Center serves as a coordinating agency among various federal, state, local, and private agencies and organizations concerned with the conservation, development, and planning of natural resources and their uses.

Clarence Mack, or Sonny as everyone knows him, is a native of DuPage County, having lived there all his life. He is well known in the area, having served as Chairman of the Kane-DuPage Soil and Water Conservation District and being active as a leader in 4-H and Civic affairs. Mack assumed his new duties August 1st.

The Center can be contacted at 964-8080 or through the Lake and North Cook County Soil and Water Conservation Districts. P.O. Box 555, Lake Zurich. Phone: 438-5427.

The Soil conservation Service also maintains an office at the Center. Robert Craft, Resource Conservationist, can be reached at 964-6000.

Refreshing California Salad

The recipe for tempting "Golden Bartlett Pear Salad" calls for making only one orange gelatin mold to serve six persons. But the photo shows twin molds — simply a matter of doubling the amount of ingredients and using two molds, or one large mold, if you prefer, to serve 12 persons at a big company dinner.

GOLDEN BARTLETT PEAR SALAD

- | | |
|----------------------------------|---|
| 1 package (3 oz.) orange gelatin | 2 fresh California Bartlett pears |
| Dash salt | 1/4 cup sliced celery |
| 1 cup boiling water | 2 tablespoons chopped green pepper (optional) |
| 1 teaspoon silvered orange rind | Western Iceberg lettuce |
| 3/4 cup orange juice | |

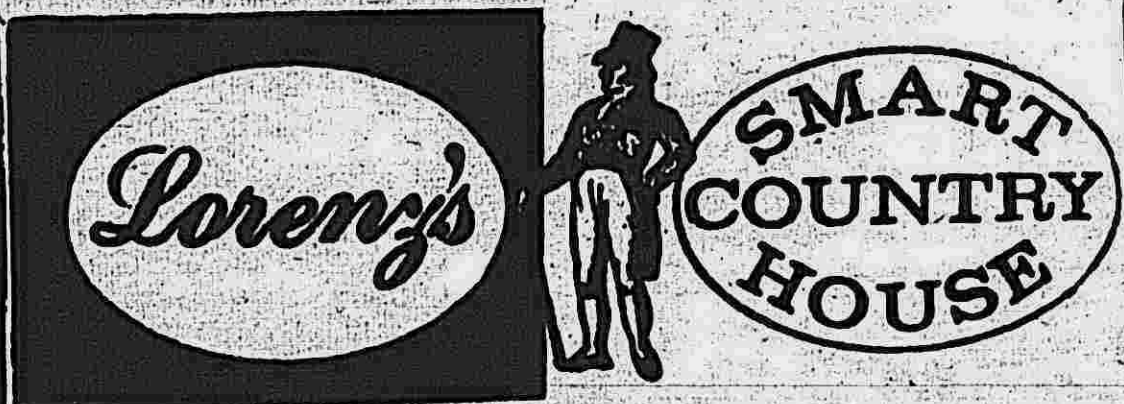

Dissolve gelatin and salt in boiling water. Stir in orange rind and juice. Chill 1/2 cup gelatin mixture until slightly thickened. Pare, halve and slice pears. Arrange part of slices against sides of 3 or 4-cup mold. Pour thickened gelatin carefully around pear slices. Chill until almost firm. Chill remaining gelatin until it mounds on spoon. Dice remaining pears and fold into gelatin with celery and green pepper. Turn into mold over chilled gelatin and sliced pears. Chill several hours until firm. To serve, dip mold into warm water a few seconds and invert onto lettuce-garnished serving platter. Cut into slices. Makes 6 servings.

american legion auxiliary news

by Del Jahneke

The Antioch American Legion Auxiliary No. 748 held their regular meeting on August 7th, at the Antioch American Legion Home, with Mrs. John L. Horan, President, conducting the meeting.

Mrs. L. C. Scott, a Gold Star Mother and a loyal, long-time member of the Antioch Unit, died August 3rd, and the members were saddened by her loss. The "Charter was Draped" in her memory, with chaplain Mrs. Ralph Fields and Junior Past President Mrs. John W. Horan participating in the ceremony.

The members voted to purchase a book for the Antioch Community Library in honor of all the past presidents. This has been the custom the past few years, instead of giving personal gifts for each past president.

Girl Stater Miss Linda Lagerstrom was introduced by Mrs. Joseph Horton, Illini Girls' State Chairman. Miss Lagerstrom gave an enthusiastic account of her week at Girls' State, held at Mac Murray College Campus in Jacksonville, Illinois this June. She thanked the Antioch American Legion Auxiliary for sponsoring her, and said that she was grateful for this opportunity of learning governmental procedures in such a pleasant way.

Election of five delegates and five alternates to the 10th District Auxiliary meetings was held, with the following women elected - delegates - Mrs. Ralph Fields; Mrs. Joseph Horton; Mrs. William Dowden; Mrs. Samuel Pettigrew; and Mrs. J. W. Horan. Alternates are Mrs. Bernard Stadick, Mrs. Bernard De Vries, Mrs. F. A. Swenson, Mrs. Earl Horton and Mrs. Lillian Hand. Antioch Unit delegates in their own right are Mrs. J. L. Horan, both as Unit President and as a past 10th

District Director; Mrs. Ray Rathmann, as a past 10th District Director; and Mrs. Edward Jahneke, as 10th District Communications Chairman.

In attendance at the Installation of Officers of the Sharvin American Legion Post and Unit, held in their North Chicago American Legion Home on August 15th; were the John L. Horans, the Ed Jahneke's and the William Dowdens.

Mrs. Ray Suzzi, Highwood, Incoming Chapeau of the Lake County Salon No. 191, Eight and Forty. She will be installed in office on Sept. 13th at the Ramada Inn in Highwood.

LAKE COUNTY SALON NO 191, EIGHT AND FORTY

The Lake County Salon No. 191, Illinois Eight and Forty, honor subsidiary of the American Legion Auxiliary, will hold their Installation of Officers on Wednesday, September 13th, at the Ramada Inn, 666 Sheridan Road, Highwood, with cocktails

at 6:00 p.m., and dinner at 7:00 p.m.

The Installing Officer will be Mrs. Fred Schultz, North Chicago, Past Chapeau; the Installing Chaplain, Mrs. Edward Jahneke, Antioch, Past Chapeau; and the Installing Sergeant-at-Arms will be Mrs. Herbert Gleason, Libertyville, Past 10th District Director.

Mrs. Ray Suzzi of Highwood (See Picture) will be installed as Le Chapeau (President). She was the first president of the Highwood American Legion Auxiliary, and their treasurer for 26 years. Mrs. Suzzi is also a past 10th District Director, and a past 2nd Division President. She is a past State President of the Ladies Auxiliary of the World War I Veterans organization, and is presently serving as their Department Americanism chairman. Mrs. Suzzi is also State Chaplain of the Disabled American Veterans Auxiliary, and Commander of the local unit.

Other officers to be installed are Mrs. John Schultz, North Chicago, Le Demi Chapeau Premiere; Mrs. Henry Reinke, Waukegan, Le Demi Chapeau Deuxieme; Mrs. Ted Odom, Libertyville, L'Archiviste; Mrs. William Franzen, Vernon Unit, La Secretaire; Mrs. Philip Cole, Highland Park, La Cassiere; Mrs. Barbara Klemm, Gurnee, L'Aumonier; Mrs. Ray Rathmann, ANTIOCH, Le Concierge; Mrs. Norman Holt, North Chicago, Pouvior Member; Mrs. William O'Neill, Lake Forest, L'Avocate; and Mrs. Frank Waggett, Highland Park, La Surintendant.

The presentation of the past Chapeau's pin to Mrs. Norman Holt will be made by Mrs. Fred Schultz.

Dinner reservations will be handled by Mrs. Philip Cole, with table decorations and favors to be taken care of by Mrs. William Franzen and Mrs. George Flugger, Vernon Unit; and Mrs. Fred Schultz in charge of centerpieces and corsages.

Chairmen for the ensuing year will be Mrs. Mary Carney of Libertyville, By-Laws and Revisions; Mrs. John Schultz, Child Welfare; Mrs. Robert Broege, Deerfield, Finance; Mrs. Thomas Watters, Grayslake, Musician; Mrs. Fred Schultz, Nurses' Scholarships; Partnership, Mrs. John Schultz and Photo Book Mrs. Richard Brown, No. Chicago; Mrs. Ed Jahneke, Publicity; Mrs. Stan-

Social Notes

Mr. and Mrs. James R. Jones and daughter of Kingsport, Tennessee, the parents and sister of the Wayne Jones of Antioch, have been their guests this past week. Since the James Jones are members of the I.O.O.F. (Independent Order of Oddfellows) and the Rebekah Lodge No. 17 of Kingsport, they attended the August 16th meeting of Lakeside Rebekah Lodge No. 82 of Antioch, held at the Antioch American Legion Home. The Wayne Jones are members of the Antioch lodge. On September 6th, the Lakeside Rebekah Lodge will hold a District Officer's Night, at 8:00 p.m., at the Legion Hall.

Walter Bracken of Albuquerque, New Mexico, a nephew of Mrs. Ellen Swenson, was a week-long guest at the F. A. Swenson home, Deep Lake Road, Antioch. While Mr. Bracken was here, all of them visited the Francis Swenson family at Milton, Wisconsin.

The Harry Young family of Waukegan have a trailer campsite at Rock Lake, Wis. and entertained the senior Ed Jahneke's, Beach Grove, for a delicious diner and pleasant evening, Saturday night, at Rock Lake.

The Rathmann's of Oakwood Knolls, Ray, Eunice and daughter, Susan, have just returned from a week's sojourn in southwestern Wis. After parking their trailer at the Eagle Cave camping ground, they spent most of the time exploring the nearby area. They found Eagle Cave to be both eerie and beautiful, with an unusual event occurring there each winter. Boy Scout troops camp inside the cave during the winter months! The Rathmann's visited "Spooks' Cavern", which is entered by boat. Occasional small lights dispelled some of the black darkness, but it well lived up to

CHANGE IN PUBLIC AFFAIRS OFFICE

Effective immediately, a new telephone number has been assigned to the Public Affairs Office, U.S. Naval Oceanographic Office, Suitland, Maryland. The new number is: 202-763-1476.

Effective 20 August 1972, James B. Sweeney will leave the Naval Oceanographic Office as Public Affairs Officer, to be Public Information Officer, Defense Mapping Agency (DMA), Washington, D.C. 20305. Phone: 202-254-4532.

it's name as a ghost haunted habitat. At times, the caves ceiling was so low, everyone had to "bend low" to avoid a bruised head. Another intriguing view was that of an underground waterfall. Next, they visited Prairie du Chien, and took a brief trip up the Mississippi River in a paddle-boat. The "House on the Rock" was also on their agenda and they were amazed at the ingenuity, planning and hard work that went into its construction. "The Streets of Yesterday" was fascinating - seeing an old toy shop with its dolls with china and bisque heads, the well made and still useful old fashioned doll furniture. In the boys section, there were the old-time wooden wagons, skooters, etc., and the cleverly devised old savings banks - one with a clown revolving around a top as the money was deposited, and many others. There were gentlemen's and ladies wearing apparel shops, with corsets, delicate undergarments, corset covers, etc. Another store had musical contraptions of many types - one in which four violinists simultaneously played their instruments together in classical music. They enjoyed a huge calliope, which was gaily painted, until their ear-drums could take no more! Lastly, was the carriage shop, with a large variety of these horse driven vehicles, and unusual street lamps of every description. Back to Antioch, with fond memories of a week well spent!

Joseph Napolitan, vice president of sales for Leisure Technology - Midwest, welcomes Ray Toft, mayor of Antioch and L.M. Woods, president of the First National Bank of Antioch as they arrive at the Fox Lake Country Club, part of the Vacation Village complex, for a special V.I.P. dinner, August 10, to introduce local dignitaries to Leisure Technology - Midwest's Vacation Village, a second-home community opened recently in Fox Lake, Illinois.

PUNT, PASS AND KICK REGISTRATION AT LYONS-RYAN

Lyons-Ryan Ford Sales, Inc., 104 Route 173, Antioch, Illinois began registering boys and girls on August 14 for Punt, Pass and Kick.

Nationally, more than 1,000,000 youngsters are expected to enroll in the huge youth program this year, the fifth consecutive year the number of participants has topped that level.

Aged 8 - 13, they will make their opening bids for the Football Hall of Fame in less than two months. Six will make it -- having their names inscribed at Canton, Ohio, as national PP & K winners.

The program is sponsored by participating U.S. Ford dealers and the National Football League.

Registration closes September 29. Registrants must be accompanied by a parent or guardian when signing up.

PP & K participants punt, pass and kick against others their own age. Any youngster

aged 8 thru 13 is eligible. There is no entry fee and no special equipment is needed. There is no body contact during PP & K competition and participants do not lose amateur status.

Scoring is based on distance and accuracy. One point is given for every foot of punting, passing and kicking distance and a point is deducted for every foot off a line.

Six levels of competition produce six winners. Trophies are awarded to winners at all levels. Competition will begin September 30 with dealer-level contests.

Starting at the fourth (area) level, competition is held before the kickoff and during the halftime of NFL games.

Six national finalists will represent the NFL's American Conference and six the National Football Conference on January 21 at the Pro Bowl game in Dallas. Finalists, their parents and sponsoring dealers will be guests of Ford Division.

RON RIVAS ENTERS ARMY

Ronald Rivas was recently enlisted in the U.S. Army by Sgt. James at the Army Recruiting Office, located at 11 West Hawley St., Mundelein. Ronald enlisted under the Special Unit of Choice program.

After taking complete mental and physical testing to qualify for the assignment he wanted, Ronald chose the Army's Radio Relay and Carrier Attendant in conjunction with an assignment at the 25th Infantry Division in Hawaii.

This choice was guaranteed to him before he enlisted and after completing eight weeks of basic training he will report to the Southeastern Signal School at Fort Gordon, Georgia for the 16 week Radio Relay and Carrier Attendant course.

Ronald and his parents reside in Lake Villa Illinois.

Sgt. James, the local Army Recruiter, went on to say that other young men and women interested in this school or any other training the Army offers can meet him at the Antioch Post Office on Wednesday afternoons, contact him at his office or call 566-9430.

Kathy Irmen was the guest of honor at a surprise bridal shower at the Bjork home last Sunday afternoon. Hostesses for the lovely lawn shower were Mrs. Kathy Rogers, Miss Judy Bjork and the sister of the bride to be, Miss Susan Irmen. Kathy, who is the daughter of Rich and Diane Irmen of Woodbine Avenue received many lovely gifts, including a service for 12 of dishes, tableware, linens, clocks and a very novel and different television set. Kathy, along with the groom to be Vesio Poonyothaitip were thrilled by all the gifts and very happy to see all the guests which included her grandmothers, Irmen and Prem, her mother, Diane, along with Mrs. Mike Monti, Mrs. Rich Mattellion, Mrs. Harry Wallis, Mrs. John Collquirt, Mrs. Mary Bierman, Mary Jo Zeien, Pat Harland, Barb Bjork, Louise and Julie Gutowski and the future bride's sisters, Cindy and Eileen Irmen. We old married ladies are convinced now, that showers should be repeated at least every 10 years as we sat admiring all the new gifts. The happy couple is planning a September 3rd wedding at the Faith Evangelical Free Church in Antioch.

Mrs. Arleen Quirk, being a very brave Girl Scout leader, took her troop, consisting of Sherry Irmen, Kim Conklin, Nancy Harland, Nancy Femer and Susan Quirk on a three day camp out this past week-end.

Congratulations to local boys Jim Pierce and Jeff Gutowski, who are members of the 1st place Medics baseball team. The championship was won in the Babe Ruth league when the Medics defeated the Advertisers in extra innings last Sunday afternoon. A big hand should go to Mr. Bill Underhill and wife Alice who donated many hours of their time this summer to manage the team.

Happy birthday last Wednesday, August 16th to Bob Lemke, who turned 21. Many happy returns.

More birthday wishes go to Scotty Zien, who will be 3 years on August 23 and to Kris Eberman who will be 4 years old on the same day. Happy birthday to two of our local sweet hearts. Another birthday wish to Dorothy Enzenbacher on Friday, August 25th. Happy birthday, Dorothy and let us know how it feels now that life begins.

Herman and Irmgard Bordasch left O'Hare field last Saturday for their homeland Germany after a 10 day visit with cousins, Mrs. Ann Koppa and her daughter Carol Whitton and families. Their visit included a short trip to Michigan to see more relatives, all of which they had not seen in 42 years. While staying at the Koppa's they took the Greyline tour of Chicago which included being on the top floor of the John Hancock Building during the Air and Water show a week ago Sunday. It took their breath

away when they saw the Air Force Thunderbirds do the precision flying maneuvers as they looked down at them. They were also very impressed with the shore-line of the Chain O'Lakes on a boat they took. The Bordasch's enjoyed their stay very much, meeting new members of the families and touring our countryside and hope to return again some day.

The St. Peter's Salad Bar Luncheon was very successful last Saturday afternoon and especially lucky for Kathy Rogers who was the winner of a Corning Ware coffee pot and a \$25.00 savings bond. This helped Kathy get over the loss of the \$61.00 pot at Bingo last Monday because of not paying complete attention to her bingo card. N-38 will never be her favorite number.

Also, attending the luncheon were local residents Judy Gossman and daughters Jody and Joy, Barb Koss and daughters along with Holly Enzenbacher, Virg Rudolph and her mother Mrs. Norm Heimbrodt, Harriet Runyard, Agnes Hild, Mary Jo Zeien, Lorraine Lemke, Dorothy Purfeerst, Kathy O'Connor, Barb Bjork and this reporter. The food was delicious, the fashion show delightful and the skits and songs very entertaining. The Chairman was Ricky Apostol and she and her committee deserve a big hand for a job well done. To top off the event, it was Father Johnson's birthday. He was presented with a cake and serenaded by all. Father Johnson said it was the nicest party he ever had.

Mark your calendar on Saturday, September 3rd for the Sunnyside Subdivision Family Picnic. The public is cordially invited.

Roger and Yolanda Eberman hosted a fraternity picnic Sunday at the home of his parents Elmer and Lucille Eberman. They had a very nice turnout of Rog's. fraternity brothers and families and a gorgeous day for the event.

Marg and John Runyard returned home Sunday evening from a two week vacation at their cabin in Northern Wisconsin. While on vacation Marg celebrated her birthday, but the real surprise awaited her return home. While up north her sons Doug and Tom had her living room carpeted in a beautiful gold shag, hung new drapes in the living room and porch and curtains in the kitchen, and hung a new walnut wall clock on the living room wall. The boys did have Sue Ehhardt to help them. Most everyone I've talked to about this wonderful surprise are wishing their kids would grow up fast. Happy birthday to the happiest mother in the world.

Billy Harland, our 13 year old golf whiz shot another 64 for 9 holes last week. I understand his dad is very proud of Bill but is losing money in their little side wagers.

Don't forget to register your upper grade school children on Wednesday morning from 9 a.m. til 12 noon and 1 p.m. til 3 p.m. and Thursday from 1 p.m. til 3 p.m. and 6 p.m. til 9 p.m. at the Upper Grade school.

Let me know the news.

With a Stern Eye

In the course of computing the County Clerk's budget request for next year - and that is certainly dull work for anyone who would rather spend than conserve - we have been struck anew by the enormous service performed by the County's Purchasing Agent, and to give everyone their due, the whole idea the particular selection of Ed Barnes was one of the bright moments of the Bob Depke regime. Mr. Depke and I have rarely had a good word to say for one another - but this appointment was a great idea, well carried out.

History (and a cursory look at our files) tells us that a County Clerk in Illinois may purchase Election supplies without bids and without approval from the County Board. The Legislature has given this kind of license to Clerks to protect them from the catastrophe that could result if a hostile Board refused to approve the expenditures required for ballots, booths etc. Without funds to purchase the necessary supplies, a Clerk would be helpless to conduct one.

Democracy without elections is an impossible concept.

Therefore it has always been pro forma for a County Clerk not to hassle with getting bids to or look for the least expensive route; there are firms in the business of conducting and supplying harrassed Clerks with everything, right down to the aspirin and the computer program for election night. It's expensive, of course, but the existence of such companies as

Thornber, Illinois Office Supply and V.I.P. (Voting Instruments and Products) have probably prevented more Clerical ulcers and breakdowns than one could shake a stick at.

For several years, past administrations in Lake County have used Thornber; all the election pencils said 'Thornber' - all the legal forms and affidavits were inscribed (and credited to) 'Thornber' - it was the Thornber representative who appeared at my door in Highland Park the morning of November 4, 1970. We had been up all night, staring down the computer as it spat out its history-making statistics, and by the time we got home, too tired to do more than crawl upstairs to bed, I was in no frame of mind to see the Thornber man. He came nonetheless. An account is, heaven help us, an account. To say that I was ungracious maybe overstating it - but I certainly wasn't friendly. And it may be partly in memory of that morning's truculence, that I early decided we would go another route on Election supplies.

The normal budgetary allowance for the Lake County Clerk to conduct two elections has been \$210,500 - a lot of scratch! That amount was allotted for our first year, 1971, even though no election was scheduled. Presumably this is included in case the legislature goes unexpectedly bananas and issues orders for an election. We turned it back to the General Fund at the end of the fiscal year.

In 1972, history scholars, we are having 4 (count 'em - FOUR) elections. We had

appropriated \$330,000 to cover those four and it appears that we will be turning back nearly \$50,000 of that to the General Fund. And we're damned proud of it!

Ed Barnes made all that possible. Instead of a 'packaged' election, Barnes got bids on every item; we did our own legal printing in the County print-shop; we put together our own supply boxes - and the savings have been mind boggling! Where we had spent \$35 per supply box in the past (contents: pens, pencils, legal affidavits, rubber fingers, scissors, lead seals, etc.) we are now putting them together ourselves for less than \$4 each. The strip of foam backing that accompanies each absentee ballot was offered to us by V.I.P. at \$70 per 1000 (and in a size that would require paring down in the office); Barnes search of vendors located a source who would sell them to us at 119.58 per 1000. C.E.S. offered us lead seals (for closing the ballot box during polling hours at \$200 for 2500; Barnes found us a source for \$30 for 2500.

Placing a bid directly for voting booths instead of going through a intermediary got us voting booths at \$100 for 5 instead of \$115 for 5 - savings on the total purchase: \$1500. And in the issuance of our Voters' Lists - a requirement in an election year - we are saving better than \$4,000 over the costs of the last printing in 1970.

County government has its bungling incompetents and its share of shady deals - but Ed Barnes and his dedication to saving the taxpayers a buck, sure ain't one!

ATTENTION BOWHUNTERS

With deer hunting season right around the corner, the Illinois Conservation Archers are inviting all bow hunters to attend their annual Broadhead Shoot. A full schedule of events will be presented for the enjoyment of all shooters on August 26th and 27th.

Registration will open at 8:00 a.m. on Saturday and remain open till 4:00 p.m. Registration on Sunday will be between 8:00 a.m. and 2:00 p.m. The specially built broadhead range will feature shooting under the most natural of hunting conditions. Shots will be taken from tree blinds, through thick foliage and woods, and across beautiful open clearings. There will even be some moving targets. Beautiful animal trophies will be awarded to the first four place winners in barebow and freestyle, both

men and women. Youth shooters (16 and under) will also receive trophies through third place. Youth shooters must use field tip arrows.

Among the other activities will be a Nite Shoot Saturday evening beginning at dusk. (Target or field tip arrows only). Before and after the nite shoot, bratwurst sandwiches will be available from the grill, plus FREE roast corn. ALL YOU CAN EAT. There will also be novelty shoots operating both days and door prizes given away during both registration periods. Kitchen Chairman, Sandy Morris announces that a fine menu will be available featuring an excellent hunters breakfast.

The I.C.A. range is located on highway 21-83, just north of Lake Villa, Illinois.

HIGHWAY USE TAX IS DUE, SAYS IRS

Owners of large trucks, truck-tractors, or buses may be required to file a Federal Highway Use Tax Return, Form 2290, by August 31, Roger C. Beck, District Director of Internal Revenue for Northern Illinois, announced today.

The tax year begins July 1 and runs through the following

June 30. Subsequent returns may be required for vehicles used for the first time on public highways after July.

IRS Publication 349, "Federal Use Tax on Trucks, Truck-T Tractors, and Buses," provides detailed information on this subject and may be obtained free from your IRS district office.

FOOTBALL KNOTHOLE CLUB FORMED FOR CHILDREN

A special club for children 12 years and under, called the Knothole Gang Club, is being formed by the Lake County Rifles Professional Football Team for their home games this season.

Purpose of the club is to expose youngsters to professional athletes on a personal basis and to emphasize that the Rifles football games are a fine

way for an entire family to spend a Saturday night.

Membership in the club may be obtained by purchasing a 50 cent membership card at the two locations of the Sportsman at 463 N. Lake St., in Mundelein, at 608 N. Milwaukee Avenue in Libertyville or at the Rifles box office before one of their home games. This membership card than will permit the youngsters

to attend each game for only a quarter.

The children will sit in a special section with other youngsters and will be under adult supervision. The Knothole Gang Club is expected to be extra fun for children brought to the games by their parents.

Two Lake County Rifles players will sign autographs for Knothole Gang members 20 minutes before each home game. The players signing prior to the Racine game August 26 will be quarterback Bob Berzowicz, recently traded to the Rifles for 21 players, and defensive end Chuck Burgoon who last year was selected the all star defensive team of the Central States Football league and is a former College All-Star player.

As another special attraction for football fans, the Rifles will hold a sidewalk sale near their Libertyville office before each home game. Adult tickets purchased from their sidewalk booth will be 50 cents off the regular admission price. The sale will be on the corner of Cook and Milwaukee avenues in Libertyville from 7:00 to 9:00 p.m. on Fridays and 9:00 a.m. to noon on Saturdays before each home game.

CRADDOCK WINS BUT MISSES SWEEP

Paul Craddock, Round Lake set fast time at the Lake Geneva Raceway on Saturday night for the HATO Sportsman Stock cars and then won the feature. He missed winning his heat race which would have given him a clean sweep. His qualifying time of 18.82 topped the large field 38 Sportsman stock cars and 39 Spectator stocks.

The Demolition races were won Jim Butts, Burlington; Herb Draves and Jim Wagner as they were sole survivors to the bent for crash action.

Ken Haack, Burlington, suffered the same near sweep wins in the Spectator stock car class as he set fast time of 20.60 in that class and won the feature but, like Craddock, missed the sweep by not winning his heat.

Arleigh Kostrowski started off the Sportsman feature in the lead and then was caught by Gil Shiltz, Delevan who looked like the eventual winner but on the 21st lap of 25, Craddock caught up and went by Shiltz to take the checkered flag slightly ahead of a fast closing Bob Peterson, Lake Geneva. Shiltz was there for third and then it was George Wyröch and John Baumeister.

Dwight Schwartz, Caladonia won the semi-feature over Bill Christensen and Ron Navyt. Heat race winners were Jerry Straube; Ken Hinzpeter; Ted Renwick and Schwartz.

Finishing behind Haack in the

Spectator feature it was Chris Ducey; Lynn White; Sam Grubb and Butch Bahrs. Heats in this class were won by Grubb; Allison; Doug Siperly and Darrell McPherson.

IRA super modifieds will continue to race through Sunday night September 3 at the Lake Geneva Raceway and then the competition switches to open type super modified racing on Sunday nights starting September 10.

Saturday night September 16 will be 30 lap Season Championship for the Spectator Stocks and the Sportsman stock car championship will be held on Saturday night September 23 with the 30th as a rain date. That race will be for 50 laps.

Gatti Wins Both Features At Waukegan Speedway This Weekend

SATURDAY NIGHT

Chicago's J.P. Gatti furnished a lot of excitement Saturday night at the Waukegan Speedway as he set a new one-lap qualifying record (1:15.76, figured in two photo finishes and then took the late model sportsman feature lead with just four laps remaining to score his second win of the season.

The races, the time trials and the warm-ups were full of excitement and spills including George Dukas' crash in the warm-up period. The Zion point leader broke his right rear axle and his 1961 Chevrolet jumped over it and backed into the pit wall. He was not hurt, but the car could not be repaired in time to race in the semi-feature.

The 25-lap feature required three restarts, the most spectacular coming after tough luck George Garrett of Zion vaulted over a stray wheel in the second lap while running second. Garrett managed to land on all four, but then slammed into the pit wall. Last week Garrett blew a tire while leading the feature and hit the wall in the same place.

Don Ellgass of Ingleside took the feature lead with Chuck Bostick, of Waukegan second by the 7th lap and Ted Richter of Libertyville 3rd at that point. By the 9th lap Gatti was fourth and he had just taken over second spot when the red flag waved as Zion's Joe Horn hit the homestretch wall.

On the restart Ellgass lost his ten-carlength advantage with Gatti nearly passing him before being forced into the infield. Bostick finally gained the lead on the 17th lap with Richter, Gatti, Ellgass and Ken Hamann of Waukegan right behind.

However in the 19th lap Bostick blew a tire and headed into the first turn wall with "The Flying Fatman" Richter pushing his 1965 Chevelle in front. Gatti edged in front on the 22nd lap with Hamann taking second in a strong finish with one lap remaining.

Richter finished third with Kenyon "It's a Boy" Graham of Winthrop Harbor fourth in front of Ellgass, John Gonzalez of Macomb and Ed Smith of Gurnee.

Graham, celebrating the birth of his first child came to the track with a large sign on the door of his sportsman proclaiming "It's a Boy." He won the third and fastest heat in a tight finish over Gatti.

The trophy dash finish saw Bostick and Gatti collide at the finish line with both shooting through the infield and third place Joe Horn being awarded the win.

The finish line also was the scene of another wild finish in the special forward-backwards race. In the final lap just two cars were still running and winner Dexter Lewey of Waukegan slammed into a stalled car at the checkered flag and runner up Roger Hacke of Waukegan crashed in Lewey. Next Saturday there will be a powder puff derby event.

the Waukegan Speedway starting 21st in the field. Gatti took the lead in the 18th lap for his third win of the year. He races a 1969 Camaro in the late model sportsman class.

The Wheeling Am-Vets Post No. 66 Wildcats won the Stock Car Football game by the score of 10 to 7 as they scored while the lone Lakeland Bus car running was stranded on top of half of the Volkswagen football. Next week a trio of ladies... Women's Lib... will challenge the Wheeling Wildcats in the final football game of the year.

Gatti, after a hot warm-up laps, needed a new transmission wired in second. He passed Bill Reupert of Wheeling in the 18th lap for the win in the 25-lap race.

Reupert, who led from the 8th lap, took second money with John Gonzalez of Macomb driving a good race for third. Kenyon Graham of Winthrop Harbor was fourth followed by Floyd Burdick of Racine, Abel Avila of Wauconda and Ernie Pollock of Zion.

Ed Smith of Gurnee was running third in the 17th lap when he lost a wheel and hit the first turn wall. Knocked out by the impact, Smith did not require hospital attention. Ted Richter of Libertyville hit the wall in the 10th lap while in 2nd place and was out. Point leader George Dukas of Zion had a flat tire in the first lap and missed most of the race while former hobby champion Tom Reuss of Wildwood ran into problems early after turning third fastest time.

Dukas did turn in a thrilling win in the second heat after taking the lead from Kenyon Graham as the white flag came out. Abel Avila and Don Ellgass won the other heat races.

MC KAY GETS FIRST WIN AT GENEVA ON IRA CIRCUIT

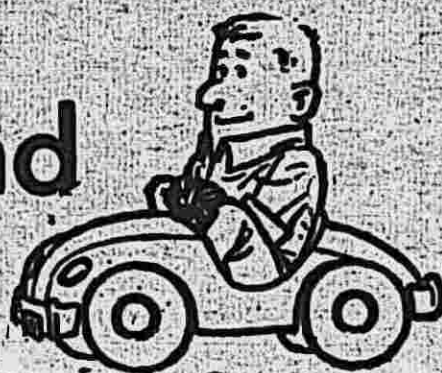

Denny McKay, Elgin won the 30 lap feature race for IRA super modifieds at the Lake Geneva Raceway Sunday night by outlasting two restarts and the close pressure driving of point leader Johnny Reimer and defending track champion Whitey Harris who finished very close behind him.

Paul Cameron had spun in the feature race but following a restart came back and finished in 4th. Then it was Joel Reimer; Larry Leach; Ron Marish; Stan Horton; Dave Bliss and Carmen Menzardo rounding out the top ten.

Fast time qualifier Bob Layland blew an engine on the 14th lap and that brought out the red flag. Even though McKay lost the lead he was able to stay ahead and get the win for car owner Rany Marcascio of Kenosha.

The semi feature race was won by Jim Sullivan with Roger Otto, Burlington, Second. Otto was in the semi-feature because he had problems in the time trials and didn't get it corrected until too late to requalify his super. He started in the last row and missed the chance then to continue his three in a row streak.

Heat races were won by Otto;

BOWL TO HOLD WINTER PROGRAM

The Antioch Bowl is currently offering a special Saturday league for children and young adults.

The program will attempt to get young people together during the winter months for one of America's largest sports - bowling.

In addition to the opportunity to meet new people and make new friends those who enroll will receive shirts, trophies, banquets and the chance to sharpen their skill under qualified coaches.

Starting date has been listed as September 16. For more information come in or call Joe Sterbenz at the Antioch Bowling Lanes (395-1155).

IRA CHAMPIONSHIP RACE FIELDS DETERMINED

Officials of the Interstates Racing Association of super modifieds and Sportsman stock cars have released a line up for the big races remaining on the IRA schedule for the Kenosha County Speedway in Wilmot, Wisconsin. On Saturday night August 26, two 30 lap races will be run. The first, an initial try at giving the 19th through 36th drivers in point standing order, a chance for a special race too, will take place for 30 laps and is called the "Super Semi 30." A long standing policy has seen the top 18 cars start in the twin 50's on the final night of racing for the Championship. That race will be Saturday night

September 2 this season and again will close the season at Wilmot for 1972.

A rain date has been set for Monday, Labor Day, September 4. Starting in the "Super Semi 30" race will be the following drivers: Stan Horton, Antioch; Dave Bliss, Algonquin; Bill Kelly, McHenry; Allen Kautz, Twin Lakes; Don Sorce, West Allis; Mouse Wade, Gurnee; Joe Fote, Milwaukee; Dick Heinz, Northbrook; Joel Reimer, Milwaukee; Deacon Hundley, Carpentersville; Roger Iles, Waukegan; Ken Monroe, Pell Lake; and Dennis Roslansky, Racine. Alternate starters are Dennis Webster, Antioch; Ray Stevens, Richmond or Dennis Jansuz, Milwaukee.

The 30 lap distance will carry \$10.00 in lap prize money for lap leaders.

The twin 50's that will end the Wilmot action will carry also \$10.00 for the 100 laps of racing. Starting this race in the following order will be the

but three touchdowns still went on the board. A VW bus lasted two nights and a 250 gallon tank will be used this Sunday.

Besides the Stock Car Football match, fans will see a full program of late model sportsman races and street car events on Sunday night. This Saturday girls will be racing in the third powder puff derby of the year along with the sportsman and street car events.

Labor Day Weekend, traditionally the biggest racing weekend of the year will see the Waukegan Speedway racing three nights. On Friday night a special added split card at regular admission prices will present mini stock cars and sportsman each competing a full card of events.

Saturday's 50-lap Summer Championship for the sportsman will carry double championship points and the big Sunday night date includes two (TWIN) 30-lap features for the top sportsman drivers. Lap prizes ride on that race along with a healthy purse.

following; Butch Bergsma, Richmond and Jim Moulis, Antioch. However these two drivers are tied in point standings and so officials have decided to extend their point accumulation one more Saturday night and then give the driver with the greater number of points, the choice of inside or outside in the first row. With the lap prize money, the choiced could be worth hundreds of dollars.

The second row will be made up of Denny McKay, Elgin and Mike Schissel, Oak Creek; Third row, Dick Aissen, McHenry and Larry Leach, Elkhorn. Fourth, Jim Sullivan, Ingleside and Ron Bergsma, Richmond. Fifth row, Paul Cameron Round Lake and Carl Schultz, Pewaukee. Sixth row, Ron Marish, Milwaukee and Jim Fiscus, Madison. Seventh row, Aaron Solsrud, Menomonee Falls and Jim Bozeman, Waukegan. Eighth row, Dick Dustin, Greenfield and Whitey Harris, Lake Villa. Last row, Roger Otto and Johnny Reimer.

RIFLES WIN LEAGUE OPENER

The only two teams in the Central States Football league that had gone undefeated in the exhibition season met in a bruising league opener for both teams Saturday and when it was over the Lake County Rifles had defeated the Rockford Rams, defending league champions, by a score of 17-0.

Rifles coach Jesse Vall said it was one of the most satisfying victories ever in his professional football coaching career.

He said he expects the same kind of a battle when Rockford meets the Rifles at Carmel Field in Mundelein October 7.

This coming Saturday the Rifles will open their home league season with a game against the Racine Raiders; Lake County defeated Racine 20 to 0 in an exhibition game but the Rifles consider Racine to be one of the best and most physical teams in the league and expect the Racine game to be an exciting one.

Lake County used almost every method in football to score its 17 points. Two penalties late in the second quarter were helpful in letting the Rifles make their first score.

In two consecutive runs, Rockford's Bruce Cullen, a fullback, ran for 16 yards to the Rockford 41 yard line. Two players later Herb Grigg caught a four yard pass but a 15 yard holding penalty was called to move the ball back to the 26 yard line.

On the next play the Rams moved the ball to the 47 yard line on a pass to Cullen but this also was nullified by a 15 yard penalty. With a fourth down on their own 17 yard line Rockford tried to punt but Bill Schaefer of the Rifles partially blocked the kick and it bounced out of bounds on the 27 yard line.

After two runs by Lake County's Ron Jurewicz produced only two yards, quarterback John Dobbs passed on the left side to Jurewicz who took the ball down to the 11 yard line for the Rifles first down of the game and first completed pass.

Rockford's defense held and on fourth down from the 7 yard line Al McNeil kicked a three point field goal with only a minute left in the half.

Three plays later with 33 sec-

onds left in the period, safety Ed Sublett intercepted a pass on the Rockford 40 yard line and ran it down to the 18 yard line.

On a scrambled play Jimmy Brooks brought the ball around end to the 11 yard line. Only 18 seconds remained. Then Dobbs tossed a pass into the end zone to Brooks who managed to hold onto the ball even though three Ram defenders hit him hard as he touched the ball.

The extra point try was blocked and the Rifles led 9 to 0 at half time.

As the third period opened the Rams made their only serious threat of the game. They took an onside kick on their own 45 yard line to the Rifles 15 yard line on the strength of Cullen's hard running and the passing of Ron Grovensteen.

On the 15 yard line the Rifles defense stiffened, and two Grovensteen passes went wild as a hard rush was put on him and a double reverse Chuck Burgoon, a standout defensive player all night for the Rifles, hit running back Bob Swanson on the line of scrimmage.

Rockford's Bob Hight tried his second field goal of the game and it was blocked by Ron Kirsch who moved through the center of the Rams line.

Neither team was able to move the ball through the remainder of the period but with about a minute left a Grovensteen pass was intercepted by Bruce Swanson on Rockford's 48 yard line. He took the intercepted pass down the middle of the field to the 30 yard line where he cut toward the left side line and moved down the sideline marker into the end zone with the way being cleared on the three yard line with a hard block by Terry Stanger.

Neither team was able to sustain an offense in the final period but the Rifles continued pushing the Rams backward. There were 4½ minutes left in the game when Bob Bramlett tried to punt from his own end zone. But the snap from center was bad and a newcomer to the Rifles squad, Conrad Spence, tackled Bramlett in the end zone for a two point safety.

Bob Berezowitz came in for the last series of play as the Rifles quarterback and he

managed to bring the ball from midfield to Rockford's 13 yard line when the game ended.

Until the Rifles scored in the last minute of the second period the most exciting play was made by their Clifford Boyd who took a punt on his own 46 yard line and ran through the middle of the Rams team for 26 yards; he was tackled by the last defender.

Coach Vall said that defensive half back Bruce Hart played an outstanding game on defense as did Burgoon and Don Rowden. He added that even though the Rifles were not moving the ball consistently on offense they were going against a real tough Rockford line that was hard to move.

He said he will be working hard on the offense and quarterback Dobbs agreed to the need for it, stating that the offensive timing was off.

CIRCLE FOOTBALL GAME SCHEDULE

The University of Illinois at Chicago Circle football team will play an eight game schedule in 1972, including four home games in Soldier Field, it was announced today by Athletic Director Walter G. Versen.

Returning from last year's schedule are Eastern Illinois and Wayne State at home and Winona State, Wisconsin-Milwaukee and Ferris State away. New opponents include Mankato State and Hope College at Soldier Field and Wisconsin-State-Platteville at Platteville, Wisconsin. It will be Chicago Circle's first meeting with each school in its 22 year football history.

Coach Harold Nemoto, beginning his fourth season at the Chika helm, looks to "experience and depth" to reverse

Circle's fortunes this fall after a 2-6 record last season. Nemoto's search for a quarterback to replace Bob Fisher, 1971's MVP who set or tied 14 school records in three years of competition, had first priority in spring drills.

The 1972 schedule:
9-23 at Winona State-7:30 p.m. there.
8-30 Eastern Illinois-1:30 p.m. Home.
10-7 Mankato State-1:30 p.m. Home.
10-14 at Wisconsin-Milwaukee-7:30 p.m. There.
10-21 at Ferris State-2:30 p.m. There.
10-28 Wayne State-1:30 p.m. Homecoming.
11-4 at Wis. State-Platteville-1:30 p.m. There.
11-11 Hope College-1:30 p.m. Home.
